DESIGN EXPERIENCE

Utilized Adobe Creative Suite software applications to create effective and flawless design solutions and informative materials.

Experience in planning, developing, and producing graphic material that follows brand and visual standards.

Developed, designed and executed the production of corporate identities, graphics, posters, brochures, and advertisements for print, web, social media, and other digital applications.

Worked collaboratively as part of a creative team while meeting critical deadlines and exceeding client expectations.

Experience in preparing files for prepress, post-production, preflight and all other aspects of print production.

Organized and well able to manage and prioritize multiple projects while meeting required timelines.

Trained in photography and established skills for the use of design.

Employed copywriting skills to produce text for both editorial and advertising materials.

Communicated complex ideas and visions through engaging and informative design.
