Kiwanis
KIWANIS CLUB OF BARRIE

The Kiwanis Club of Barrie Foundation was chartered in 1922 and is Barrie's oldest service club. With over 50 volunteer members, the Club has been positively impacting the community through their various financial donations and volunteer services. The funds raised through the Delta Bingo and Gaming Centre have allowed them to donate to a new children's program at CNIB, Barrie Out of the Cold, the Lung Association, and their annual contribution to Christmas Cheer. With the support of players like you, the Kiwanis Club of Barrie Foundation is able to extend its reach and continue to support valuable programs in our community. Thanks for visiting us today!
