Skills

Utilize InDesign CS5 to design and create editorial layouts and promotional materials.

Can work individually or collaboratively as part of a team.

In depth knowledge of Adobe Illustrator for creating graphics and logos as well as detailed illustrations.

Great understanding of photo manipulation, editing, and photography.

Ability to produce projects from rough concepts to a product ready for print and web.

Maintain proper formatting of digital material with a great deal of organization and accuracy.

Strong knowledge of all aspects of graphic design including layout, typography, research development, colour theory, and packaging.

Working knowledge of designing and coding websites using Dreamweaver, Muse and HTML editors.

Knowledge of creating and utilizing InDesign to produce E Pubs working with type and images.

Creative experience and knowledge in developing and following corporate style guides and branding standards.

Great with organization and time management to get projects done right and on time while being creative.

Takes initiative and will help when needed or when the opportunity comes up to learn something new to create a unique design.

Enjoys doing typesetting and detail work for any type of project.

Work Experience

Tim Horton's 2012 to present

Correctly received orders, processed payments and responded appropriately to guest concerns. Communicated clearly and positively with co-workers and management.
