VEHICLE WRAP

This project involved creating a car wrap for Mario Designs. The goal was to create more awareness for the company by creating a mobile advertisement that will be driven all around the Barrie area.

CHRIS TRAN BUSINESS CARD

The project was a self-promotional piece to create awareness and expose the designer(me) to the community. The goal of the design was simple but elegant in which it was achieved.

LUMOS MAGAZINE

The purpose of the project was to create an eye-catching magazine directed to audience of choice. LUMOS is directed at men's health/interests. Articles touches on topics such as: Food, Travel, Art and Fashion.

SITH E-LIQUIDS

This packaging project was a co-packing deal with Vape Brands International. The goal of the design was to create eye-stuning labels that will be applied onto 60ml bottles that would be sold a e-liquid for electronic cigarettes. The bright and vibrant colour harmonize and stands out making each flavour shine.
